

Town of Glastonbury
RPGL-2009-12
Historical Architect/Engineering Services
Slocomb Building Study
Addendum #1

DUE DATE 11-13-08 @ 11:00 A.M.

Please be advised that the following addendum items **will be distributed to all vendors attending the Mandatory Pre-Proposal meeting on October 30, 2008.**

The following questions have been submitted for:

(1) Section 1-C “Minimum requirements” states;

To be considered, interested firms and individuals must satisfy the following requirements:

- Licensed in the State of Connecticut.
- Experience designing and administering historical/preservation projects in the State of Connecticut
- Experience with work of similar size and scope

Please be advised that Section 1-C has been revised as follows:

- Licensed in the State of Connecticut
- Similar experience designing and administering historical/preservation projects.
(Not restricted to the State of Connecticut)
- Experience with work of similar size and scope

(2) Professional Liability Requirement in the RFP – whether the requirement that it be carried in the amount of \$5,000,000 was correct and if so, is that an absolute requirement for this project.

- This is not an absolute requirement, should interested firms have an exception to this insurance requirement, please include in your proposal.

Please confirm receipt of this addendum by October 31, 2008 by 10:00 A.M. to Kathy Hughey @ (860) 652-7590 (Fax)
