

The Summary of Benefits and Coverage (SBC) document will help you choose a health **plan**. The SBC shows you how you and the **plan** would share the cost for covered health care services. **NOTE: Information about the cost of this **plan** (called the **premium**) will be provided separately.**

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.connecticare.com or call 1-800-251-7722. For general definitions of common terms, such as **allowed amount**, **balance billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other **underlined** terms see the Glossary. Important Questions	Answers	Why this Matters:
What is the overall deductible?	In-Network: \$0 individual / \$0 family. Doesn't apply to preventive care. Out-of-Network: \$500 individual / \$1,500 family	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. Preventive care is covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	There are no other specific deductibles .	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Yes. For participating providers \$3,000 individual / \$9,000 family. For non-participating providers \$3,000 individual / \$9,000 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a participating provider?	Yes. See www.ConnectiCare.com or call 1-800-251-7722 for a list of participating providers .	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use a non-participating provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing).
Do I need a referral to see a specialist?	No	You can see the specialist you choose without a referral .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a deductible applies.
