Bicycle Friendly Facility (BFF) Application

Welcome to the Glastonbury Bicycle Friendly Facility Program of the Bicycle Advisory Group. This program recognizes local businesses and facilities that provide amenities to bicyclists. Participation is FREE and applicants that meet the minimum qualifications are provided with a custom window cling to display. The benefits to participation include:

- Listing of your Business/Facility Online: <http://www.glastonbury-ct.gov/bff>
- Show of Community Support
- Opportunity to Promote your Business/Facility to Bicyclists

In order to qualify as a Bicycle Friendly Facility, you must be able to provide the following amenities:

- Bicycle parking that should accommodate a minimum of 4 bicycles and be visible from and close to the entrance it serves - 50' or less is a good benchmark
- Allow bicyclists to refill their own water bottle at no charge
- One of the Following:
 - Use of restroom whether bicyclist is a customer or not
 - No public restroom but can tell a bicyclist of one they can use nearby

Upon approval, you will receive an official letter and window cling. Additionally, your business/facility name, address, and website will be listed online: <http://www.glastonbury-ct.gov/bff>
