Ozzie Says "Let's Swim by Eight"

Every child in Glastonbury should learn to swim by 8 years old. Kids are surrounded by swimming pools, lakes, rivers and other bodies of water that are used for recreation. Every child needs basic aquatic safety and swimming skills. Glastonbury Parks and Recreation's newest swim lesson ambassador, Ozzie the Octopus, has eight great reasons to learn to swim!

American Red Cross Learn to Swim

Glastonbury Parks & Recreation follows the American Red Cross Learn-to-Swim program for ages 5 and up which offers 6 comprehensive course levels that will teach your child how to swim skillfully and safely. Additionally, the program includes pre-school age swimming for Infant/Toddler and Tots. Levels include basic water skills and stroke technique as well as introducing a wide range of personal safety skills. The prerequisite for each level is successful demonstration of the skills from the preceding level. Wading pools at both Grange and Addison are closed during lessons.

Level 6-Swimming Skill Proficiency

This class is appropriate if your child can tread water using different leg kicks, perform front and back crawlstrokes, elementary backstroke, butterfly, breaststroke, sidestroke, perform standing dive, surface dive, and perform open turns and flip turns to change direction at the side of the pool.
