Private Competitive Swim Clinic Registration Guidelines

Private Competitive Swim Clinics (one-on-one) catered to meet you or your child's specific competitive technique needs are now available through the Parks and Recreation Department. The coaching staff will work with you to customize a personal competitive stroke clinic schedule at any of the Town's four aquatic facilities. Please follow the guidelines listed below.

- 1) **Complete the Private Competitive Swim Clinic form and give to the a swim coach or the Parks and Recreation Department. Payment is by Check Only, payable to the 'Town of Glastonbury', unless paying at the Parks and Recreation Department office where cash, checks and credit cards are accepted.** Fees are listed on the registration form.
- 2) Private Competitive Swim Clinics are offered to anyone ages 7-18 with competitive swimming experience or be able to proficiently swim 2 lengths freestyle, 1 length backstroke and demonstrate fundamental breaststroke and butterfly for 1 length. **This is not the same as a swim lesson program** where children learn strokes for the first time.
- 3) One registration form is to be completed for **each** set of 4 x 30 minute private lessons. The form will be for one participant during the same clinic time period with the same coach. Each clinic is a half hour in length.
- 4) A coach who matches the times requested will call you within 2 weeks. If the clinic cannot be provided, the payment will be returned. Clinics will be granted on a first come-first-serve basis.
- 5) A completed registration form does not guarantee that a coach is available for the times requested. Only coaches employed by the Town of Glastonbury may conduct private clinics.
- 6) If an emergency creates a need to cancel a clinic either by the participant or the coach, a make-up time will be arranged. The coach & parent will contact each other prior to the class. Participant no-shows will not be made up.
- 7) Private swim clinics will only be conducted during public recreation swim times or another time designated by the Recreation Supervisor.
- 8) On the Private Competitive Swim Clinic Registration form, please indicate any pertinent information about your child (or yourself) that will help us select the best coach to fit your needs. Additionally, please indicate your swimming ability.
