# MULTIFAMILY INITIATIVE

The Multifamily Initiative helps make any size multifamily project a success by reducing energy use, lowering energy costs, enhancing the resident's comfort and connecting you with rebates, incentives, and financing options.

The Multifamily Initiative is an Energize Connecticut service brought to you by Eversource, United Illuminating, SCG, and CNG. Customized solutions for multifamily buildings or complexes with five or more units include incentives for upgrades such as:

- Boiler/furnace replacement
- Exterior and common area lighting, including LED bulbs
- Window replacement
- Insulation upgrades
- Weatherization of the units
- Water-saving measures
- Refrigerator replacement
- Hot water heater replacement
- Electronically Commutated Motor (ECM) pumps and/or Variable Frequency Drives (VFDs)
- Central air conditioning
- Ductless mini split heat pumps
