

**TOWN OF GLASTONBURY**  
GL-2019-35  
**FIRE ALARM REPLACEMENT - SMITH MIDDLE SCHOOL**  
**ADDENDUM NO. 1**  
May 16, 2019

Bid Due Date: 05-22-19 @ 11:00 A.M.

The attention of bidders submitting proposals for the above-referenced project is called to the following Addendum to the specifications. The items set forth herein, whether of omission, addition, substitution or other change, are all to be included in and form a part of the proposed Contract Documents for the work. Bidders shall acknowledge this Addendum on the Bid Proposal Page (BP-1).

The following questions were asked during the mandatory pre-bid conference.

**Question 1:** *Do you have a list of devices with quantities? And a building Floor Plan?*

**Answer:** A list of devices is attached. Contractor shall verify quantities. The building floor plan will be distributed to bidders that attended the mandatory pre-bid meeting.

**Question 2:** *Is the Fire Alarm upgrade part of a larger code update?*

**Answer:** No. The existing fire alarm system is an addressable system and code compliant however due to its age and unavailable parts by the manufacturer it needs to be replaced. The new Fire Alarm Control panel and all devices are being replaced one for one with the new specified system. All existing wire will remain as well as device locations. The new specified system will also be expandable if necessary in the future. This project has the approval of the local Fire Marshal.

**Question 3:** *What is the square footage of the school?*

**Answer:** 178,838 square feet.

**Question 4:** *Can a copy of the Pre-Bid meeting attendees list be provided?*

**Answer:** Please see attached.

**Question 5:** *Will the bid open date be extended and what will be the last day for questions?*

**Answer:** The bid due date will remain May 22, 2019 11am. As stated in the bid documents, all questions must be received at least five (5) business days prior to the advertised response deadline. The last day for questions was May 15, 2019.

**Question 6:** *When can contractors return to visit the site?*

**Answer:** Weekdays after 3pm. Please notify Mr. Costa of what day 860-652-7992.

**Question 7:** *When is the completion day for the work?*

**Answer:** July 10, 2019 with a working system and tested by the Fire Marshal. Contractor shall coordinate all work with Fire Marshal and obtain approvals.

**Note: This addendum consists of 4 pages including the above text.**
