TOWN CENTER SUSTAINABLE LAND USE AND DEVELOPMENT STUDY
ADDENDUM #2

Dated: 8-21-09

The following information for the above referenced project is a summary of the questions and answers received following the non-mandatory pre-proposal meeting.

Note: Numbering will continue from Addendum #1.

Questions and Answers:

19. Can you identify and describe any specific issues or priorities that led to the request for this study?

A: Recent completion of a Master Traffic Study and the 2007-2017 Plan of Conservation and Development resulted in a consensus that the development of a shared vision/concept for the Town Center area was an important community objective.

20. Do you anticipate that the study will address all portions of the study area with equal weight, or place special emphasis on certain areas, such as the traditional town center area around Main Street, Hebron Avenue and New London Turnpike? Or will this question be determined during the course of the study?

A: Yes, the answer to this question will be determined during the course of the study.

21. Can you provide a plan for Riverfront Park Phase I?

A: Yes, the plan is posted on the Town's website along with Phase II.
