- Attachment C – Dependent Resurvey of Land to be Conveyed to the Town of Glastonbury by Arbor Acres Farm, Inc. located at 411, 429, 439, 447, 467 Marlborough Road, Glastonbury, Connecticut

**Note: Attachment C will also be posted to the Town’s website with the proposal as a separate attachment (color version).**

**Section I – General Information**

- The Town of Glastonbury requires the assistance of a Consultant with expertise and experience in park master planning
- The selected Consultant will work with Town staff and others to conduct an inventory of existing conditions and prepare a site analysis that identifies the property’s opportunities and constraints.
- The Consultant will work with the Town to develop several alternatives for possible future use and development of the parcel. Each alternative will address identified recreation needs and other municipal needs as communicated to the Consultant by representatives of the Town.
- The Arbor Acres property (former) is located on the west side of Marlborough Road, Glastonbury, CT. The southerly border of the property coincides with the Glastonbury/Marlborough Town line.
- The property totals 75 acres. Prior to being acquired by the Town, it served as the headquarters for the Arbor Acres Poultry Farm. The parcel is subject to an open space easement granted to the State of Connecticut over an approximate area of 35 acres on the western half of the property. Use restrictions associated with this easement are typical of those involving property purchased via the State Open Space Preservation Fund. Documents filed in Glastonbury land records fully itemize these restrictions. Maps depicting this area and property as a whole are provided in Attachment C. Currently there are 18 abandoned buildings on the property including poultry houses, a main office building, laboratory/storage and vehicle maintenance buildings. The property also includes four (4) abandoned residential homes that have deteriorated and are in poor condition. It is the Town’s intention to demolish all of the existing structures in phases, over time, as funding permits.

Other pertinent constraints include the existence of an on site land fill that has been closed in accordance with CT DEP requirements. The landfill is located within the aforementioned Open Space easement area. Groundwater monitoring associated with this landfill and with general CT Transfer Act requirements is ongoing and will continue for the foreseeable future. Pertinent environmental reports are available in the Town of Glastonbury Engineering office. For purposes of this Master Plan and based on the scope of remediation efforts and groundwater monitoring results to date, the chosen Consultant may assume that there will be no developmental constraints related to environmental contamination on portions of the parcel outside of the Open Space easement.

**Section II - Scope of Consultant Services**

- The Consultant shall develop a written master plan document including a text description of the property, the elements of the master plan, and site plans showing all project elements in scale and their relationship to one another.
- The Consultant shall assess and document the existing conditions including, but not necessarily limited to, physical conditions (topography, site features, vegetation, utilities, soils/wetlands, environmental concerns); circulation conditions (access roads, traffic, parking, pedestrian and handicap accessibility); context (zoning, neighborhood, relationship with abutting properties); and, regulatory issues (zoning, permitted uses).
- The Consultant shall work with Town staff and others to identify and formalize the nature and type of facilities to be included in the park master plan. Multiple alternatives shall be presented for consideration by the Town. Each alternative will graphically illustrate its impact on the site and its

relationship with abutting parcels. Potential facilities include, but are not necessarily limited to, basketball courts, tennis courts, a children’s playground, a picnic pavilion, community gardens, volleyball courts, horseshoes, a dog park, walking trails, athletic fields, parking and other needed support facilities.

- The Consultant shall give careful consideration to important environmental considerations such as wildlife habitat protection, stormwater management, etc.
- The impact of the proposed plans on the existing abandoned residential lots/structures shall be carefully considered.
- After review and refinement, the Town will select one or more alternatives for further development as the master site plan.
- The Consultant shall develop a cost estimate in suitable detail for a municipal budget appropriation including design/engineering, administration, permitting, construction, contingencies, etc. A phased approach to construction is possible. As a result, the Consultant shall identify logical definition of the work so that proper sequencing can be identified and costs can be allocated to the appropriate phase.
- The Consultant shall identify and describe all local, State and Federal permits that may be required, as applicable.
- The initial services required shall be limited to those typically associated with a master plan. The Town reserves the right to extend the agreement with the selected Consultant to subsequent phases of design if the Town is satisfied with the quality of the work and deems that it is in its best interest to do so. Additional work could include design development, permitting, bidding, and construction administration.
- All drawings, reports, data, and other documents prepared by the Consultant according to this Agreement shall be submitted to the Town for its review and approval. Resulting work products of the Consultant pursuant to this solicitation shall be provided in both print and digital format and shall become property of the Town of Glastonbury.
- No such approval shall in any way be construed to relieve the Consultant of responsibility for technical adequacy or operate as a waiver of any of the Town’s rights under this Agreement. The Consultant shall remain liable to the Town according to applicable laws and practices for all damages to the Town caused by the Consultant’s negligent performance of any of the services furnished under this Agreement.
- The Consultant shall conduct regular meetings with the Town and/or other appropriate parties, at a location established by the Town to review progress. The Consultant will provide written notes of each meeting to all attending parties before the next meeting.
- The Consultant’s services under agreements reached shall be as described above.

**Section III – Submission of Proposal**

**Minimum Requirements**

- Consultant shall be licensed to do business in the State of Connecticut.

- Consultant shall demonstrate sufficient staff resources, either in-house or through sub-consultants, that would be available to assist the Town with the stated Scope of Services.
- Consultant shall have demonstrated experience with similar consulting services within the past five (5) years.
- The Consultant shall demonstrate that the project team has the expertise and experience needed to develop the master plan, design park facilities; layout and design access roads, parking areas and drainage systems; develop landscape plans; size and provide utilities; evaluate and address environmental concerns; and prepare permit applications.

**Term of Service**

The selected firm will be expected to commence services within 15 days of contract execution or on such other schedule as may be agreed to with the Town. The Town anticipates allocating up to three (3) months of overall time for the project described herein including data collection, meetings, consultant preparation, etc. The Town of Glastonbury reserves the right to cancel this proposal process at any time should any of the following conditions exist:

- Funds are not appropriated to allow continuance of this contract.
- The Town, through changes in its requirements or method of operation, no longer has a need for this service.
- The Town is not satisfied with the level of services provided under the contract or the contractor fails to comply with any of the terms and conditions outlined in the contract.

**Proposal Instructions**

- By submitting a proposal, you represent that you have thoroughly examined and become familiar with the Scope of Consultant’s Services outlined in this RFQ and you are capable of performing the work to achieve the Town’s objectives.
- All firms are required to submit an original and seven (7) copies of their proposal to Mary F. Visone, Purchasing Agent, 2155 Main Street, Glastonbury, CT by the date and time listed in the proposal response page. All proposals will be opened publicly and recorded as received. Respondents may be present at the opening; however, there will be not public reading of Proposals. Proposals received later than the time and date specified will not be considered. The proposal must be submitted in a sealed envelope or package and the outside shall be clearly marked as follows:

8. Provide a proposed work schedule for the project indicating major milestones for work accomplishment. Specific project work plan and completion dates to be determined with the Town upon contract execution with the selected firm.
9. A concluding statement as to why the respondent is best qualified to meet the needs of the Town.
10. Proposal Response Form (**ATTACHMENT A**).
11. Respondent is required to review the Town of Glastonbury Code of Ethics adopted July 8, 2003 and effective August 1, 2003. Respondent shall acknowledge that they have reviewed the document in the area provided on the bid/proposal response page (BP). The selected Respondent will also be required to complete and sign an Acknowledgement Form prior to award. The Code of Ethics and the Consultant Acknowledgement Form can be accessed at the Town of Glastonbury website at [www.glastonbury-ct.gov](http://www.glastonbury-ct.gov). Upon entering the website click on **Bids & RFPs**, which will bring you to the links for the **Code of Ethics** and the **Consultant Acknowledgement Form**. If the Respondent does not have access to the internet, a copy of these documents can be obtained through the Purchasing Department at the address listed within this bid/proposal.
12. Statement of Non-Collusion (**ATTACHMENT B**).

13. Any technical questions regarding this RFQ shall be made in writing (email acceptable) and directed to Raymond E. Purtell, Director of Parks & Recreation, 2155 Main Street, Glastonbury, CT 06033; [ray.purtell@glastonbury-ct.gov](mailto:ray.purtell@glastonbury-ct.gov). For administrative questions concerning this proposal, please contact Mary F. Visone, Purchasing Agent, at (860) 652-7588. All questions, answers, and/or addenda, as applicable, will be posted on the Town's website at [www.glastonbury-ct.gov](http://www.glastonbury-ct.gov) (Upon entering the website click on Bids & RFPs). **It is the respondent's responsibility to check the website for addenda prior to submission of any proposal.**

Note: Responses to requests for more specific contract information than is contained in the RFQ shall be limited to information that is available to all offerors and that is necessary to complete this process. The request must be received at least five (5) business days prior to the advertised response deadline.

14. The Town of Glastonbury is dedicated to waste reduction and the practice of using and promoting the use of recycled and environmentally preferable products. Respondents are encouraged to submit RFP responses that are printed double-sided (except for the signed proposal page) on recycled paper, and to use paper dividers to organize the RFP for review. All proposal pages should be secured with a binder clip, staple or elastic band, and shall not be submitted in plastic binders or covers, nor shall the proposal contain any plastic inserts or pages. We appreciate your efforts towards a greener environment.

Failure to include any of the above-referenced items in the submitted PROPOSAL may be grounds for disqualifying said proposal.

### **Evaluation Criteria**

- The following factors will be considered by the Town when evaluating proposals:
  - Accuracy, overall quality, thoroughness, and responsiveness to the Town's requirements as summarized herein.
  - The qualifications and experience of the firm, the designated account representative, and other key personnel to be assigned to the project.
  - Demonstrated ability to provide services to the Town in a timely manner; including work schedule for the project.
  - Successful performance of similar work on other accounts.
  - Ability to provide engineering services and possession of expertise in a range of environmental disciplines as may be required by the Scope of Services.
  - Overall approach to providing the consultant services requested.

### **Selection Process**

- This request for qualifications does not commit the Town of Glastonbury to award a contract or to pay any costs incurred in the preparation of a proposal to this request. All proposals submitted in response to this request for qualifications become the property of the Town of Glastonbury. The Town of Glastonbury reserves the right to accept or reject any or all proposals received as a result of

this request, to negotiate with the selected respondents, the right to extend the contract for an additional period, or to cancel in part or in its entirety the request for qualifications, if it is in the best interests of the Town to do so.

- An Evaluation Committee, appointed by the Town Manager, will evaluate all proposals received for completeness and the respondent’s ability to meet all requirements as outlined in this RFQ.
- Following review and evaluation of proposals, the Town reserves the right to request certain additional information. Based on review and rating of proposals, a short list of respondents will be developed and invited to make a presentation to the Consultant Selection Committee.
- Additional technical and/or cost information may be requested from any respondent by the evaluation committee prior, during, or after the interviews, if conducted, for clarification purposes, however, responses provided will in no way revise the original proposal submitted.
- Based on the results of the review of the Statements of Qualifications, interviews, and other provided supplemental information, the Town will review the Scope of Services, and other factors with the top-rated firm(s) and request fee proposals. The Town will negotiate a specific agreement based on these discussions.
- The selected respondent will be expected to execute a Consultant Agreement with Town and purchase orders will be issued to perform the agreed Scope of Services.
