Minnechaug Golf Course is thrilled to announce the launch of their new and improved website, available at www.minnechauggolf.com. Owned by the Town of Glastonbury and managed by brothers Matt & Chris Guilmette, Minnechaug designed the new site to better showcase the beauty of the 9 hole public golf course with the coveted island hole, the biggest attraction any golf course can have. In addition we offer extensive golf programming available for individuals, families, and groups. For the 2020 season, Minnechaug is excited to offer a variety of golf leagues, clinics, and programs for all ages, a selection of membership options for all player levels. We are happy to announce we have added first responders to our Military discount. We have made the home page an easy way for you to book your tee time online. Minnechaug believes the new site will help draw golfers in from the local community and across the state and is looking forward to another busy and successful golf season in the coming months. So please feel free to take a look and let us know what you think and of course if we can help in anyway please let us know. Thank you!

Your friends at Minnechaug Golf Course.
