Re: Historic District

Dear Barbara:

As we discussed recently, the Council is considering a new Historic District extending along Hubbard Street from Main Street to the general location of Glastonbury High School. This topic was discussed at the Council meeting of Tuesday, February 23rd and the matter referred to the Historic District Commission for a report and recommendation.

When making this referral, the Council asked that owners of property within the proposed new District be advised of the proposal by written mailing. The thought is the Commission will so advise property owners as you begin your review. A report and recommendation within six months was discussed, however, I would ask that periodic status reports be forwarded including the general feedback after the initial mailing to property owners.

Many thanks. Should you have any questions, please let me know and we can set a time to discuss.

Sincerely,

Richard J. Johnson
Town Manager
