COVID-19 Walk-in Vaccine Clinic

Sunday, April 11 from 8am-3:30pm

State Dept. of Veterans Affairs Campus
287 West Street, Rocky Hill— Auditorium

- VA Connecticut has expanded vaccine eligibility to include the following:
 - ⇒ Anyone who served in the military, spouses of veterans and caregivers of veterans
- Moderna vaccine. Second dose is May 8.
- No appointment necessary but you can make an appointment during clinic operating hours by calling call 203-932-5711 ext. 5627, 7784 or 7754.
- Vaccine is available first come first served and while supplies last.
- Masks and social distancing required. If possible, please don't bring anyone with you to the clinic.
- If you receive a vaccine requiring a second dose, we will schedule that appointment with you before you leave the clinic.
- While enrolled veterans remain VA's top priority, we encourage those newly eligible to get vaccinated. For information on additional clinics visit www.connecticut.va.gov.
