**Re: Proposed Communication Tower – Sequin Drive**

Dear Property Owner:

ARX Wireless (ARX) is proposing to construct a 115±' communications tower at the 11-acre site located off Sequin Drive as shown on the attached page. Approval of the project rests with the Connecticut Siting Council, however, the Town may offer formal comments to the applicant and Siting Council for consideration.

The Town Council has scheduled a public information hearing (PIH) for 8:00 p.m. on Tuesday, April 27, 2021 to hear comments on the proposal. This will help guide the Town Council on any comments to be forwarded to the applicant and Siting Council.

ARX will attend the PIH to present the proposal and to respond to questions as applicable. As with zoning applications, written notice of the hearing is being forwarded to owners of property within 500 feet of the site. Instructions for attending and participating in the virtual zoom meeting are as follows:
