Fence

Picture of Current Window to be Replaced

Details: The current fence, custom cedar, needs to be replaced due to rot and age.

Proposed New Fence

Company: Arrow Fence

Material: Cedar

Details: 4 ½' Avon tongue and groove privacy base panel with an 18" scalloped picket topper and 6"x6" cedar posts and pyramid post caps stained in white. Both sides of the fence look the same (i.e., no brace on one side of the fence). The height of the fence is 6'.

Fence Post Caps

Company: Island Post Cap

Material: Cedar

Details: The pineapple finial post cap will be located on top of each pyramid post caps located on each 6"x6" cedar posts. This will also be stained in white.

Fence Location

Details: The location of the fence will be in the same location as the existing one. There will be one additional section, which will angle to the angle in the driveway.

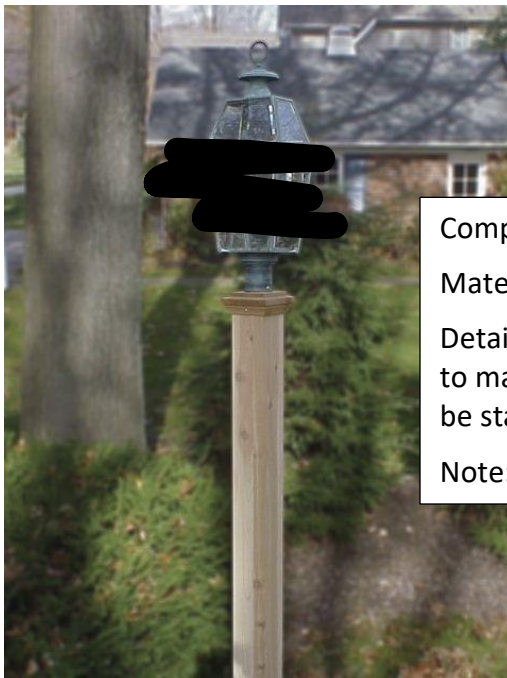

Light Posts

Picture of Light Posts to be Replaced

Details: The two light posts we are replacing have been removed as they had fallen due to rot. One will be at the driveway on Main Street. The second one will be located on the walk to the back door close to the driveway. See the X's for location. These are the same locations of the original posts.

New Light Posts

Company: Arrow Fence

Material: Cedar

Details: Square lantern posts with post cap to match the caps on the fence posts. Will be stained white.

Note: This is not the proposed light fixture.

New Light Post Light Fixtures

Company: Old Lights On

Details: These are vintage lights to be used for the two light posts. They will be refinished in black. The finial accents will remain brass.

Outdoor Lighting 1

Picture of Light to be Replaced

Details: This light is in disrepair. The location is at the top of the stairs going up the patio. The location will be the same.

New Light Fixtures

Company: Old Lights On

Details: The same vintage light used for the two light posts will to be used for this spot as well. It will be refinished in black. The finial accent will stay as brass.

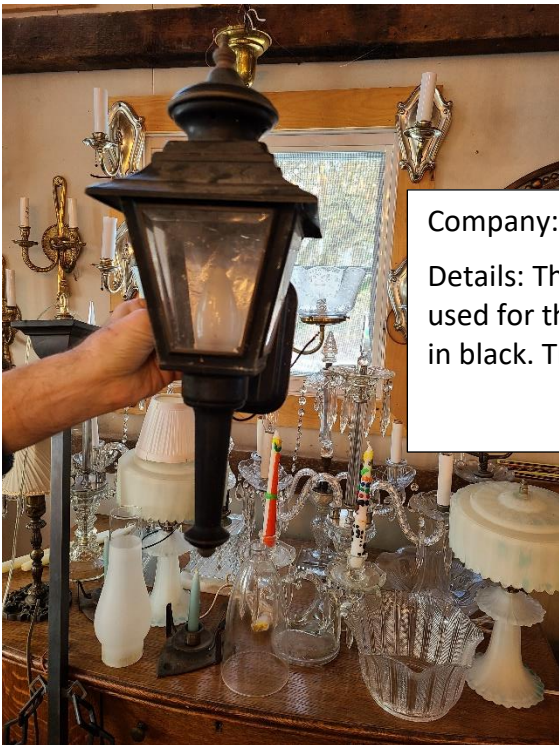

Outdoor Lighting 2

Picture of Light to be Replaced

Details: This light was removed as it was in disrepair. The location is at the entrance to our back door. The location will be the same.

New Light Fixtures

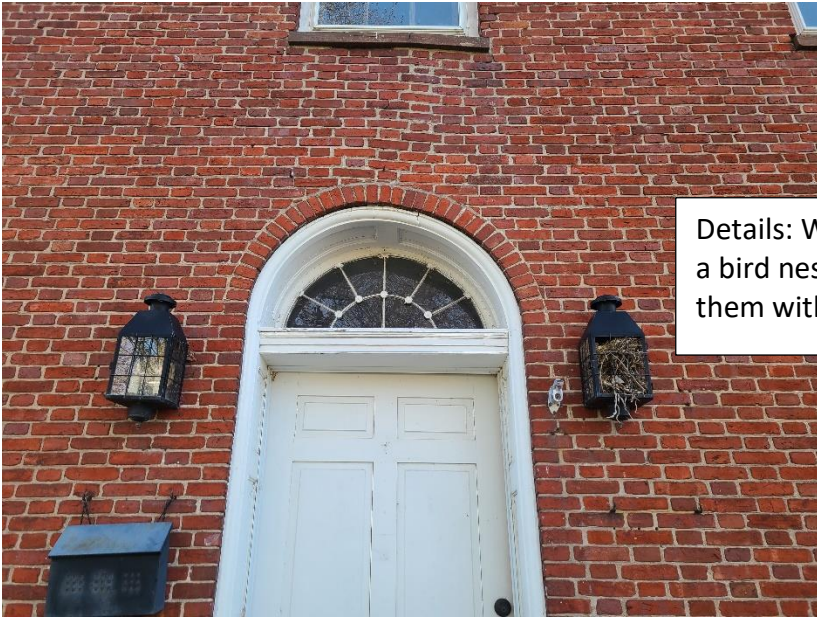

Company: Old Lights On

Details: This is a vintage wall light to be used for the back door. It will be refinished in black. The finial accent will stay as brass.

Outdoor Lighting 3

Picture of Light to be Replaced

Details: While still working, albeit even with a bird nest, we are considering changing them with the ones below.

New Light Fixtures

Company: Old Lights On

Details: These are vintage lights to be used for the front door. They have been refinished in black. The finial accent will stay as brass.
