**RE: Approved Wetlands Regulated Activity at J.B. Williams Park, Neipsic Road**

Dear Steve:

Pursuant to Section 12 of Glastonbury's Inland Wetlands and Watercourses Regulations, you are hereby **approved to conduct your activities of expanding the parking lot, installing drainage measures and removing a security fence within the wetlands' upland review area at J.B. Williams Park**, as represented by the plan (dated 4-27-2021) submitted to our office. This approval is contingent upon **your responsibility**:

1. **To publish this approval on the Town website or (one time) in a newspaper** that circulates in Glastonbury within 10 days of the date of this approval letter to you;
2. **to await a 15-day appeal period** (15 days from the date of website or newspaper publication) before commencing with this project within the upland review area; and
3. **to incorporate the mitigation measures** that appear on the submitted site plan during construction.

Attached for your consideration and potential use is a draft public notice advertisement that needs to be published once by you in a newspaper which circulates in Glastonbury.

**Please call** if you have any questions and/or to advise us when the notice is to appear and in what newspaper.

Sincerely,

*Tom Mocko* *TM 6/29/21*
