ADDENDUM NO. 2

July 13, 2021

Bid Due Date: 07-15-2021 @ 11:00 A.M.

The attention of bidders submitting proposals for the above-referenced project is called to the following Addendum to the specifications. The items set forth herein, whether of omission, addition, substitution or other change, are all to be included in and form a part of the proposed Contract Documents for the work. Bidders shall acknowledge this Addendum on the Bid Proposal Page (BP-1).

Question 1: *I still need a clarification on the AMM Publication. Are we to use the AMM Publication issue date of 07.01.21 in which the inside priced pages have an effective date of 06.30.21 or are we to use the AMM Publication issue date of 07.02.21 in which the inside priced pages have an effective date of 07.01.21? The posted Addenda is the same as what is stated in the contract only in different words.*

Answer: Use the AMM Publication issue date of 07.01.21 in which the inside priced pages have an effective date of 06.30.21

Note: This addendum consists of 1 page including the above text.
