RE: Wendell's Woods Subdivision  
Maintenance Bond – Final Release

Dear Mr. Zanolungo:

The Engineering Division has made a final inspection of the above-referenced subdivision. All items relative to public improvements are complete and in conformance with requirements and have satisfied the one-year maintenance period.

Therefore, I am recommending that the Town Plan and Zoning Commission approve the final release of the Maintenance Bond in the amount of \$29,504.00.

It is further recommended that Wendell Lane from Station 0+00 to Station 11+40 be accepted as a Town road.

Sincerely,

Daniel A. Pennington, P.E.
