To Peter, Krystina and Jonathan,

The applicant, who admit she is new to the process and does not understand that she shouldn't be sending written materials directly to Board members, did so. Obviously, we should not respond directly back to her via e-mail. The remedy for this is to make the e-mails below part of the public record now and label her latest one as another supporting document from her.

Please advise her not to communicate further directly with us until we open the public hearing tonight.

Thanks,
Brian Smith,
Chair

Hello, I am an applicant for this evening - presenting at the ZBA for my request for variances at 83 & 97 Naubuc Avenue. I am including a link to the video of the TPZ meeting on 9/21/2021. I obtained a referral from them.

I am new to Zoom meetings, therefore, I would like to give you this link (in advance) to the meeting for you to see the conversation between the town representatives, myself & the members of the board. Please note in particular: at the :18 second point - comments from Commissioner Hassett.

I'm sending additional letters of support to Krystina Kramer to forward to you (at total of 36 letters), as well as a sketch of #83 Naubuc new facade, etc.

Thanks,
Corrine Crocker-Luby

Hello Corinne:

What fun to see the inside of your lovely facility there on Naubuc Ave. today, and I will copy the rest of the Zoning Board of Appeals with your note, wishing to hold your application until the October meeting - see as included below.

See you in October and sorry about the trouble that you have had with Zoning process.

Yours in Glastonbury,

Jaye Winkler

ZBA member

Hi Jaye, please forward to other ZBA board members to protect me & my application! Thank you for stopping by to notify me - that you didn't receive any info. About my application being moved to October!

I don't want to look irresponsible OR to appear as a 'no show'!

Thanks,

Corrine Crocker-Luby

Hi Krystina, I was advised to move my application for the zoning board to be in October by both Rebecca and Jonathan. I'm not sure what the protocol is if I'm supposed to go to the zoom meeting and explain my situation or if this email will work so the zoning board members don't have to go and review all my paperwork for the session. I feel a little stuck right now! Please advise.

I don't want to waste anyone's time nor do I want to look like a no-show at the meeting. My phone number is 860-659-1865. Thank you so much for any help you can give me

(Please copy me on your email to the ZBA board members) - I want to feel comfortable they have been notified) - I feel like I will look irresponsible & a 'no-show' otherwise.

Hi Jonathan, per our conversatio - kindly forward my request to move my ZBA application from September 13, 2021 meeting to be at the October 2021 ZBA meeting. The reason is due to the cancellation of the TPZ meeting on September 7, 2021. I am advised that I do require an initial review / referral from TPZ for my use variance request. I don't want to waste the board's time to go over my application twice. Furthermore, there was a clerical error in my application for the added square footage request to 97 Naubuc Avenue. I will have this corrected.

Thanks,
Corrine Crocker-Luby
