

Pitch In and Help Keep Glastonbury Beautiful!

The pandemic has inspired increased usage of town parks and open spaces by all who enjoy the outdoors, and while it's wonderful to see so many people enjoy the great outdoors, what is not so wonderful is the litter that sadly gets left behind.

Individuals, families, businesses, and community groups from all over are welcome to sign up and Pitch In!

Parks and Recreation will provide trash bags, gloves and trash pickers. For larger groups we encourage people to bring their own picker.

Please click the logo below to complete the Pitch In volunteer form. Upon receiving your form, our staff will call you and help coordinate the details of your Pitch In event.

We thank you in advance for your help and support!
