At its meeting of October 12, 2021, the Council held a public information hearing to review a preliminary list of projects that could be funded through the American Rescue Plan Act (ARPA) and to hear public comment. ARPA monies can be allocated over broad categories including:

- Water and sewer infrastructure
- Negative economic impacts

Review of interim guidance by the U.S. Treasury Department indicates a variety of subsets and eligible uses including investment in human services, recreation, improvements to parks, playgrounds and buildings, water/sewer and drainage projects, affordable housing, broadband and fiber cabling, and other eligible uses.

Public comment can be offered in person on the 7th, through Zoom, or you may forward your comments in writing at the following link no later than 2:00 p.m. the day before the meeting: [www.glastonburyct.gov/testimony](http://www.glastonburyct.gov/testimony).
