

Glastonbury Gives

Glastonbury Gives is an initiative created by Glastonbury Social Services. Glastonbury Gives assists residents experiencing a crisis situation, hindering their ability to pay for food, utility bills, shelter costs, medical expenses and other critical needs. It is funded entirely by contributions from generous individuals, businesses, and community groups; with 100% of donations going directly to residents in need.

For information on how to donate, visit [www.glastonburyct.gov/glastonburygives](http://www.glastonburyct.gov/glastonburygives)
