

**MEMORANDUM**

To: Rebecca Augur, Director of Planning and Land Use Services

From: Richard J. Johnson, Town Manager

Date: January 27, 2022

**Re: Vista Lane Sidewalks**

Per our discussion, the owner of the residential property at 5 Vista Lane is asking to remove the short section (100 ft) of sidewalk adjoining the subject property. The sidewalk was originally constructed in 1977 as part of the area subdivision. At this point, it seems unlikely sidewalks will be extended along the west side of the roadway.

By action at its meeting of Tuesday, January 25, 2022, the Council referred this matter to the Town Plan and Zoning Commission for a report and recommendation under CGS Section 8-24. Subject to approval, the cost to remove the sidewalk and restore to Town standards will be the responsibility of the property owner.

Please schedule this matter for a Commission review advise. Should you have any questions, please let me know.
