- Floor Plans

PROPOSAL [See floor plan entitled "Interior Renovations The Mendes Family 101 Founders Road"]

The applicant is seeking approval for an existing 798 square foot accessory apartment in the basement level of the single family house located at 101 Founders Road. The apartment was existing at the time the applicant purchased the house in July, 2021; however, no special permit approval or building permits for the accessory apartment had been granted. The applicant was informed of this situation when they applied for permits to renovate the apartment.

The proposed apartment will have an open floor plan and consist of a full kitchen, living room, bedroom and bathroom. Egress points for the apartment include egress windows in the bedroom, French doors in the living room, a stairway leading to the principal residence and a doorway leading to the mechanical room, which has direct access to the outside. There is a walkway leading from the French doors around the south side of the house to the driveway located on the east side of the property. There are no proposed changes to the footprint or exterior of the building. However the applicant has made significant improvements to make the apartment compliant with the accessory apartment regulations and the building code.

TOWN PLAN AND ZONING COMMISSION
PLANS REVIEW SUBCOMMITTEE
MINUTES OF FEBRUARY 9, 2022 SPECIAL MEETING

The meeting commenced at 8:02 AM through Zoom Video Conferencing.

Present: Subcommittee Member Sharon Purtill; Rebecca Augur, AICP, Director of Planning, and Jonathan E. Mullen, AICP, Planner

101 FOUNDERS ROAD – proposal for an accessory apartment – Residence AA Zone – Architect Jane Laurent, JWM Architects – Anthony Mendes, owner – Maryanne Mendes, applicant

Maryanne Mendes explained that her son purchased the house which had an unpermitted accessory apartment. She explained that she had been working with the former Town Building Official to ensure that the rooms in the apartment were building code-compliant. Sharon Purtill asked the size of the apartment. Ms. Laurent explained that initially the apartment was over 800 square feet, however a portion of the living area will be removed to make it less than 800 square feet. Mrs. Purtill asked about the location of the mechanical room. Ms. Mendes stated that the mechanical room has ingress from outside. Mr. Mullen stated that the mechanical room location and access are in accordance with what the Subcommittee has requested in other situations. There was a discussion about circulation in the apartment. Ms. Mendes stated that the apartment had an open floor plan. Mrs. Purtill asked about means of egress. Ms. Mendes stated that there are two sets of slider doors and egress windows in the bedroom. Mrs. Purtill advised the applicant to have a plot plan prepared showing parking space and walkways for the full Commission.

Meeting adjourned at 8:19 am.

Respectfully submitted,

Jonathan E. Mullen, AICP
Planner
