INTENT

It is the intent of the Town of Glastonbury to lease Town-owned property for a retail farm stand and seasonal cider mill or other approved commercial/retail uses permitted by the Town Plan & Zoning Commission. Interested parties can submit more than one proposal to lease the parcel.

BASIS FOR SELECTION

Many factors will be considered by the Town in its decision to award the lease. While price is certainly one factor, the nature and type of the proposed land use will be carefully considered. Factors to be considered may include, but are not necessarily limited to, type of operation, hours of operation, compatibility with the abutting properties, parking, traffic, noise, capital improvements proposed, building modifications required and benefits to the Town. The decision of the Town to lease any parcels shall not be subject to legal challenge or appeal in any form.

Whenever it is deemed to be in the best interest of the Town, the Town Manager, Purchasing Agent or designated representative shall waive informalities in any and all proposals. The right is reserved to reject any proposal or any part of any proposal when such action is deemed to be in the best interest of the Town of Glastonbury.

Proposals must be submitted complete in every detail and, when requested, supporting or supplemental information shall be provided. If a proposal involves any exception from stated requirements, they must be clearly noted as exceptions and listed in the proposal. The reason for any exception shall also be stated.

INSPECTION OF LAND

Each potential lessee shall inform himself fully of the nature of the conditions and peculiarities of the site. Failure to do so will not relieve a person submitting a successful proposal from carrying out any of the provisions and obligations of the lease agreement.

PRE-PROPOSAL SITE VISIT(S)

There will be an optional pre-proposal site visit and tour on Wednesday, January 27, 2010, at 10:00 a.m. Potential lessees should meet at the Cider Mill Property, 2187 Main Street, Glastonbury, Connecticut. Potential lessees should be prepared for inclement weather.

TERM OF LEASE

The length of the lease period shall be for a minimum of one year. In the past, the lease term has been varied from being renewable annually for a period not to exceed five years to a multi-year lease.

The Town will consider any and all lease terms, and renewal periods, proposed by potential lessees. It is understood that the lessee may require a longer lease period in order to recover specified capital investments. The Town will consider such proposals.

The final lease term will be subject to negotiation between the Town and interested lessees and lease term may be a significant factor considered as part of the basis for selection.

FARM LAND GROUND LEASE

The lease form to be used by the Town for Parcel A is attached. Interested lessees should review its terms and language carefully and be prepared to satisfy all of the lessee’s obligations required under the agreement if their proposal is accepted by the Town. The Town reserves the right to alter the proposed Form of Agreement with potential lessees prior to execution of an agreement.

PROPERTY DESCRIPTION AND CURRENT USES

The property is located at 1287 Main Street, Glastonbury, Connecticut 06033. It has frontage on Main Street. Please refer to the enclosed map entitled, “Land to be Conveyed to the Town of Glastonbury by Centerline Realty Corporation located at 1287 Main Street, Glastonbury, Connecticut.

Parcel A: The parcel measures 251’ x 130’ for a total of 32,630 s.f. of approximately three quarters of an acre. It includes an old barn which is commonly referred to as “The Old Cider Mill”, an unoccupied dwelling with an attached garage, and a paved entrance drive and parking area.

Most recently, “The Old Cider Mill” has been used seasonally as a retail farm stand, cider mill, and petting zoo. The petting zoo area has been located immediately to the south of Parcel A on the adjacent Town owned land. Electricity is available on site. A drilled well supplies the residence and is extended to the cider mill seasonally. The dwelling and garage have been used by the Town of Glastonbury for storage. Depending on the nature and type of proposals received, the Town may reserve the right to continue its use of the building for storage.

Access to the 21.1 acre parcel to the rear of Parcel A needs to be maintained through Parcel A. The Cider Mill is thought to be the oldest continuously operating cider mill in the country. It is the Town’s intention to have that status maintained. The Lessor will make the existing cider making equipment available to the Lessee including a grinder, press, chiller and filling station. The equipment is provided “as is” and becomes the Lessee’s responsibility and obligation with respect to its care, maintenance and operation. The Lessee shall provide all other equipment needed for the cider making operation.
