

MEMORANDUM

TO: Town Plan and Zoning Commission

FROM: Rebecca Augur, Director of Planning and Land Use Services

DATE: April 29, 2022

RE: **400 Hebron Ave. Proposal**

The applicant withdrew their application as a Section 12.9 minor change to a special permit this morning, and has requested instead to present their proposal informally at the May 3rd meeting. We anticipate the applicant will also refile a Section 12 special permit application for receipt on the same night. Therefore, we are cancelling the public hearing and not distributing previously submitted application materials at this time.
