RE: Highway Bridge Inspections 2021-2026
State Project No. 170-3590, 170-3591, 170-3592, 170-3593
TSC Project Nos. P712210043/44/45/46

Dear Chief Marshall Porter,

Our firm is currently under contract to the Connecticut Department of Transportation, Division of Bridge Safety and Evaluation, to conduct inspections of various Highway bridges. We are scheduled to inspect the following bridges in your municipality on the dates indicated:

08/01/22: Bridge No. 00389 carries Route 17 Ramp 007 over New London Turnpike
08/02/22: Bridge No. 05546 carries Route 3 over Main Street

Lane closures on the New London Turnpike and Main Street will be implemented. These traffic restrictions will be conducted from approximately 9:00 a.m. to 3:00 p.m. Traffic disruption is expected to be minor and traffic control will be handled by TranSystems personnel in accordance with the Connecticut Department of Transportation's "Work Zone Safety Guidelines for Maintenance Operations." We will be in contact with the Glastonbury Police Department to arrange for traffic control assistance. If you have any questions, please call this office.

Sincerely,

TRANSYSTEMS CORPORATION

Johnny S. Marquez
Project Engineer
