

GOING TO A COOLING CENTER IN EXTREME HEAT DURING A PANDEMIC

PACK A TO GO KIT.

INCLUDE:

- Hand sanitizer (>60% alcohol)
- Soap
- Disinfectant wipes
- Masks
- Water bottle

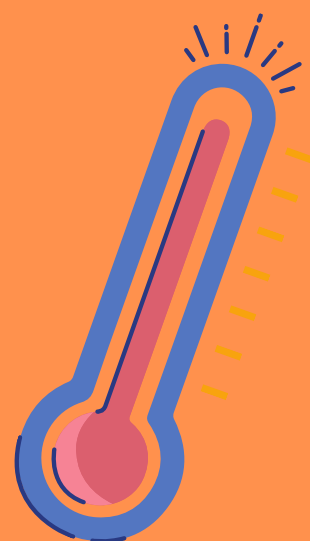

STAY UP-TO DATE ON VACCINATIONS

This helps prevent serious disease complications from COVID-19 should you be exposed to the virus at a Cooling Center.

BE CONSIDERATE

At the cooling center try to keep a 6 foot distance from others.

Call 2-1-1 to find a current listing of Cooling Centers
