860-647-3201

NOTICE OF WATER SHUT OFF

This is to notify you that water will be shut off due to:

- ✓ System repairs
- System extensions
- System improvements

On **9 – 233 Indian Hill Trail, 11-12 Pane Drive**
Glastonbury

Thursday, 10/27/2022
On **ALT. DATE Friday, 10/28/2022**
At ******* 8 AM to 4PM*******

For **8 HOURS**

Be sure to draw water sufficient for your needs before shut off. For drinking and cooking purposes fill clean containers and fill the bathtub with water for toilet flushing. If your supply runs low you are able to obtain water at our bottling station at 125 Spring St. You must bring your own containers. The Water Department apologizes for any inconvenience this shut down has caused you

The Water Department assumes no responsibility for damage on the premises as a result of the water being shut off. As a precaution against damage you can shut off the valve on your service pipe where it enters the house. This valve is located between the water meter and the wall of the house. You will not be notified when the water is on. You can call us at **647-3201** to get an update if the water is not restored by the time indicated.
