Include TEN (10) copies of everything submitted including the application and a map of the property involved. Locate all structures thereon and their relation to buildings on adjacent property and to the highway with approximate distances therefrom. Floor plans of buildings which you desire to erect or to alter must be provided in sufficient detail to make intelligent presentation of your plans. Also, include ten (10) copies of all supporting documentation.

FILING FEE OF \$185.00 tendered herewith. Applicants whose cases come under Section 14-55, 14-322, Connecticut General Statutes will be charged an additional fee to pay the cost of publication and the expenses of the public hearing.

DESCRIPTION IN DETAIL:

Seeking a variance of section 9-11 to allow one parking space per four seats for special events venue

Hardship: parking formula for a "special events venue" is not listed in the regulations and the activity is most similar with a "place of worship" which equals one parking space per four seats.

Ten copies of this Application and all supporting documentation are required

RE: Development of properties located at:

- **83 Naubuc Avenue, Glastonbury + 97 Naubuc Avenue, Glastonbury**
- **14-18 Parker Terrace Extension, Glastonbury**

I am Corrine Crocker-Luby, owner of Corrine Weddings, LLC & the creator/manager/owner of Tiffany Juliet House located at 82 Naubuc Avenue, Glastonbury. Overall, I have been in business since January 1, 1990 beginning as an independent Wedding Planner, Bridal Show Producer & retailer of wedding invitations, bridesmaid dresses, and wedding gowns (including designing a handful of gowns) - one was featured in Connecticut Bride magazine. Each professional role I've had previously prepares me for my expansion. At Tiffany Juliet House, I provide both the event space as well as on-site catering to host social events including: bridal & baby showers, small weddings, anniversary, life celebrations & birthday parties. In addition, I have booked corporate events: businesses celebrating milestones, holiday parties/ conferences). There is a big public demand for a private special event venue for smaller, family-sized events with as few as 5-10 people. I have a great interest in providing this type of venue to the public. I pride myself in offering the event space & the extra service of on-site managing of the events, as well. In the event industry - I offer a game changer. My offer to my customers - is 'just show up'. I'll take care of the logistics/details - they just provide their personalized decorations. My services are unique for sure. My attention to detail & level head under pressure is my 'claim to fame'. I have wonderful clients choosing to come back to book events with me again. I have a nice following.

Since opening the doors of Tiffany Juliet House (May, 2013): • Hosted just over 1,300 events (in nearly 10 short years) • No complaints from the neighbors about my special event venue presence • Obtained a continuous "A" rating from the Glastonbury health department • Received countless positive reviews on social media (Yelp, Google & Facebook to name a few) - I welcome you to read about the feedback I've received online

MY PLAN: • To expand! I am seeking two variances for 83 Naubuc Ave. to make sense of the plan, as well as a variances for the parking formula for all three properties - my use is not listed in regulations.

Today, I ask you: members of the Zoning Board of Appeals to grant me the variances needed to complete my final planning stages of development. I have worked diligently over the past two years in fine tuning the development plans (both floorplans/elevations). I am happy to say they have been thoroughly thought out. I am able to communicate and control number of parking spaces allocated to my customer. I am fortunate to have contact information for events, due to the nature of my business unlike a place of worship or a restaurant, in which there would be a lack of control of knowing whom the attendees & guests will be. ***Special events require an invitation to attend*** & this can be achieved with communication to my customer and them with their guests. Shuttle service from public commuter lots and a local hotel is also another means of alternate parking.

To whom it may concern:

Corrine Crocker-Luby, of Corrine Weddings, LLC is the owner of Tiffany Juliet House 82 Naubuc Avenue, Glastonbury. She hosts small weddings on her premises and we have provided shuttle service for her customers. She informed me of her expansion plans, asked me for a letter to explain our shuttle service to her customers. We are 4 minutes (0.9 miles) from her properties.

There is a base fee of \$450 plus tax and service for a customer (ex. Bride & groom) to reserve one + rooms. They have access to rent our shuttle service for their guests, whom are able to park at our property and get courtesy (to the guests) the shuttle service to and from a special event at Tiffany Juliet House or her proposed surrounding venues. It is a 13 passenger shuttle, and we do two round trips (two drop offs and two pickups). If more trips are needed, we can negotiate the price accordingly.
