David	O'Connor	1140 Main Street	I want to express my appreciation to the Town Council, and also to the Town Planning and Zoning Commission and the Glastonbury Housing Authority, for moving the Nye Road project along so expeditiously and with such commitment. I feel that the overall design and the attention to green areas and environmental concerns make this project a model for future affordable housing projects in Glastonbury and in the state as well. I hope it gets the attention it deserves. Many thanks for all your good work on the Nye Road project.
