

# Putnam Bridge Plan & Elevation

# Project Location

# Purpose and Need

---

The purpose of the project is to address the structural deficiencies of State Bridge No. 00417 in order to maintain safe travel for all facility users and to maintain a "State of Good Repair."

- Repairing or replacing deficient structural members.
- Ensuring the bridge continues to load rate appropriately for all legal, permit and emergency vehicles.
- Improving the condition rating of all structural elements to "Satisfactory" (6) or better.
- Minimizing disruption to travel on State Route 3.
