ATTENDANCE

It is essential you familiarize yourself with the day to day schedule as outlined on the Camp Calendar. Always read the Camp Calendar carefully! If a special circumstance requires that you drop off or pick up your child at times other than the start/end of the camp day, advise the staff in writing in advance to avoid any problems. We may be unable to accommodate these requests on days of off-site activities. We cannot accommodate drop-off and pick-up at times other than those stated on a regular basis.

Please communicate with us via email if your child is going to be absent from camp and the reason for their absence. Send an email to campdiscovery@glastonbury-ct.gov as soon as you know your child will be absent for a day.

REGISTRATION

Summer camp registration begins in mid-March either online or through the mail. This program is extremely popular so online registration is recommended as it is in real time. This program is for Glastonbury residents only. We maintain a waitlist for the program and parents will be notified if a spot becomes available.

PAPERWORK & FORMS

Digital Forms are required to be completed before you are able to register for this program. You may complete these forms ahead of time by following the links on www.glastonburyct.gov/campdiscovery. Filling out forms early does not guarantee you a spot in the program and forms may be filled out at the time of registration if you prefer.

The forms are required to be completed before you can register but you may edit or double check them at any time. To double check or edit:

1. Site: [Glastonbury Parks, Recreation & Senior Services: Log In \(myrec.com\)](#)

 - a. Please be sure there are two emergency contacts listed with phone numbers.
 - b. Scroll further down the page to see the "Custom Forms" sections.
 - i.  - iii. "Payment Plan Form" - This form tells the office staff if we need to setup a payment plan for camp fees.
4. Please be sure to verify the information for each child you have that is registered for camp.

HEALTH GENERAL HYGIENE & CLEANING:

- All campers and staff are encouraged to wash hands frequently during the camp day.
- Staff will remind children to cough or sneeze into a tissue or their elbow, then throw the tissue into the trash.
- Staff will report any child feeling sick to Director ASAP
- Any camper not feeling well will be sent home and will be taken to the camp office to be picked up promptly by parents.

DIAGNOSIS/EXPOSURE OF COVID-19:

If your child tests positive for COVID 19 please let us know so that we may consult with the Glastonbury Health Department on an appropriate protocol. In the event of a positive case of COVID-19 at camp, we will consult with the Glastonbury Health Department for current quarantine recommendations.

ALLERGIES & MEDICATIONS

When registering your child, you will be asked if your child has allergies, is on medication or requires medication in the event of an emergency, or has any special needs. This allows us to plan appropriately for camp. A camp staff member will contact you prior to the start of camp in June if we have any questions or need further information. You may also contact Liz Gambacorta at liz.gambacorta@glastonbury-ct.gov with any questions.

If your child requires medication you must complete and submit an “[Authorization for Administration of Medication](#)” form to the Parks & Recreation Office prior to the start of Camp. You may also be required to provide a written Treatment Plan from your Physician/Allergist with specific instructions of how and when medication is to be given. Forms are available online at www.glastonbury-ct.gov/prforms.

Please email forms to campdiscovery@glastonbury-ct.gov or you may put them in the Parks & Recreation secure drop box to the right of the Parks & Recreation entrance to the Academy Building. **Forms should be turned in the Wednesday before their first session begins. Medication should be brought to camp on the first day.**

FOOD ALLERGIES

Because of food allergies, Camp Staff will enforce strict “No food trading/sharing” rules. Please instruct your child not to trade or share food with anyone else!

CHILDREN WITH SPECIAL NEEDS

Camp Discovery warmly welcomes children with special needs. Please make us aware of any special needs your child may have prior to the start of the program. We encourage parents to notify the Program Coordinator, Liz Gambacorta at liz.gambacorta@glastonbury-ct.gov, as soon as possible of any special needs your child has so we can work together to build a successful camp experience for your child.

HANDLING CONCERNS

If there is a concern regarding your child at camp, we encourage open discussion between parents and the camp staff. Gathering all information directly from both the child and staff will help us resolve any concerns as soon as possible. We are open to any questions in order to ensure that Discovery is safe and enjoyable for all campers and families.

1. Address any concerns immediately with the Program Directors by email or call the Camp cell phone.
2. If not satisfied, contact the program coordinator, Liz Gambacorta at Glastonbury Parks and Recreation.

APPROPRIATE BEHAVIOR

Safety, respect for others, and a positive experience are our most important priorities. Our first step in preventing inappropriate behavior is to set clear limits as to what is expected at Camp. At the beginning of Camp, Staff will discuss the Camp Rules, the reasons for them and the consequences if they are not adhered to. We will attempt to redirect inappropriate behavior; however, situations may still occur. If a problem continues, the Camp Directors and/or the Recreation Program Supervisor will discuss the situation with you and attempt to come to a solution.

Written Behavior Forms may also be sent home with the child. These will need to be signed and returned by the Parent/Guardian so that we know the behavior has been discussed with the child. It is not our intent to discourage participation because of behavior problems. However, in cases where there is no marked improvement, the child may be asked to stay home for a day, miss a field trip and/or be removed from the program.

BEHAVIOR THAT IS HARMFUL TO THE SAFETY OF OTHER CHILDREN AND/OR STAFF WILL NOT BE TOLERATED.

Please talk with your child daily to be sure he/she is having a positive experience. Encourage them to bring problems to the attention of a Staff member as soon as they occur. Inform the Camp Directors of any problem your child may be experiencing at Camp.

CAMPER ATTIRE

Campers should dress comfortably for camp. We suggest that shorts, t-shirts and sneakers be worn. The classrooms will be air-conditioned so a long sleeve shirt or sweatshirt may be necessary. Sandals, flip flops, open-toed shoes, and dress clothes are not appropriate for camp as children will be engaged in various sports, active games, and arts and crafts projects that may be messy and/or unsafe based on apparel.

WATER DAYS

On days when we are going to the Splashpad or Pond please send your child in their swim suit with shorts and t-shirt over them.

WHAT TO BRING TO CAMP

- Refillable Water Bottle
- Sunscreen
- Healthy Lunch
- Snacks
- Swimsuit & Towel (only on swim days)
- Plastic Bag for Wet Items
- A Change of Clothing
- Backpack/Bag for Belongings

WHAT TO LEAVE HOME

- Electronics (including cell phones, tablets and games)
- Valuable items
- Precious or treasured items
- Money

PERSONAL BELONGINGS

All belongings should be permanently labeled with the camper's name. All campers are personally responsible for their own items. There will be a designated lost and found area at camp; we will do our best to pair lost items back to their owners. If you are missing an item(s) please send an email and we will do our best to locate the item. Items that remain in the lost and found at the end of camp will be disposed of at the end of each session.

If Campers bring items to camp that are on the "Leave Home" list they must be stored in backpacks until the end of the day and are the responsibility of the camper.

LUNCHES

Lunch and snack are necessary every day, unless indicated otherwise on the session calendar. Lunches are stored in an air conditioned room. We have no access to heat up lunches. Please provide necessary utensils for what you pack!

SUNSCREEN

Please apply sunscreen to your child prior to coming to camp and remember to send them with waterproof sunscreen, SPF 30 or higher. Staff may only assist campers with spray sunscreen so sending them with a spray bottle of sunscreen works best. There are sunscreen breaks throughout the day that will give children ample opportunity to reapply.

THE PROGRAM

Children will stay with the Discovery Junior group each day. Occasionally they may participate in whole camp activities with Camp Discovery. Each week consists of on-site and off-site activities. On-site activities include books, crafts, games, outdoor play, sensory stations, and occasional special events.
