Laura	Zeppieri	8 Tarry Brook Drive	I am writing, per a neighborhood distribution of information about this meeting and about proposed real estate and potential building on Griswold Street that will potentially impact the amount of traffic on and around Griswold Street including, but not limited to Naubuc School and surrounding neighborhoods, and traffic flow on/off Rt 2. We are opposed to increased building and commercial establishments that will increase traffic on Griswold Street. The neighborhood and traffic patterns are already too congested, and the children at the day care center and Naubuc School need to be considered here as people whose voices may go unheard. Thank you. Sincerely, Laura and Stephen Zeppieri
