

Glastonbury Parks & Recreation

PARENT CHILD PLAYGROUP

Welcome to the Parent Toddler Playgroup. Our program is meant to provide children ages 1-4 with a casual open group play situation and allow parents an opportunity to meet, relax and enjoy their children.

Please Note The Following

Parking: Parking is allowed in front of the building near the “A” entrance door. In the event this lot is full, ample parking is available in the back of the building where you may enter via the Parks & Recreation Office entrance.

Parking is not allowed in the area in front of the “B” entrance door.

Arrival: Please enter through the gym where the Instructor will meet you.

Gym Use: To ensure proper use of our Facility/Equipment, you must adhere to the following:

Shoes must be removed before entering the Gym!

Food and/or drink is not allowed in the Gym (this includes bottles, sippy cups, coffee, etc.).

Please avoid clothing with buttons or snaps as it can damage equipment. We also ask that children do not wear jewelry of any kind.

Activity will be limited to the carpet area only. Stay with your child, mainly for safety reasons. When your child wanders away from the group, acknowledge his/her curiosity about what has caught their eye, then try to lure them back to the group.

Thank you for your Cooperation!
